

Volume 1, Issue 2 – July/August 2020

## Welcome to Daisy

As I write this newsletter we are entering Phase 4 Revitalization.

Revitalizing our communities will take the effort of everyone. Handwashing, masks, and social distancing are still a part of our everyday lives. We need to all work together to preserve, provide, promote, encourage, engage, and inspire our families, friends, sisters, neighbors, and communities. As we work together we will become Strong, Active, Healthy, and Vital again bringing new life or vigor to our Country.

Please reach out to your Sisters who can give help or need help.

We are all going through this time but it is different for

everyone. We all deal with challenges and changes differently. I have heard some of the ways you are helping others. Thank you! Please let others know when you need something. Remember we are deeply rooted to help others.

Minutes – keep them coming when possible.

Also I would like to highlight the officers and committees. Please be thinking about what you would like to say about your office, yourself, and or Alpha Delta Kappa. I would like to do this for the Chapter Presidents and President Elects also. If you would like to take on one of the offices or committees let me know as well. I love the pictures that are coming in. Thank you!

Some of you have gotten emails/texts that are not from me. I have changed items so it should not happen again. If it does; do not open but delete. You can call me to check to make sure. I usually add my name at the bottom with a Purple Heart and daisy. I am sorry for this.

Thursday, July 2, 2020, Val Johnson and I are having a zoom meeting with the other Presidents and President Elects in our North Central Region. If I need to add more information I will. Thanks for understanding!

We have a firm root system so let's continue to grow by caring for our Sisters and those who are in need!
