

Volume 2, Issue 2

June/July 2021

Spring is here but shortly will turn to Summer

Thank you Sisters...I know the International Convention has been a BIG topic lately. We have voted on some items and will be voting again soon. Debates, Amending Amendments, Requests, Corrections, and more have been asked of us- You have come through with Grace in Growth. Thank You...our roots are deep and spreading out.

Hi,

I am Karen Hurst, currently, I am the Budget Chairman of the Illinois State Board.

I am a member of IL Alpha Theta in Pekin. I am a silver sister.

I have two sons. Matthew and his family live in Florida. He has three children, Morgan, 7th grade, Mariah, 5th grade, and Matthew, 2nd grade. My other son, Mark, lives in Germantown. He has four girls' (five if you count the dog). Callie, a freshman at ICC, Natalie, freshman at Metamora, Emma, a beginning preschooler, and Chloe, her not so much younger 2 yr. old sister. They are all wonderful grandkids and can't imagine life without them and the joy they bring me.

I taught in high school as a social studies teacher and in grade school as a special education teacher, teaching children with all types of mild special needs. I taught

in several schools in Illinois but mostly in Pekin. I was their Special Education Coordinator for several years.

I have served many positions in Alpha Delta Kappa from chapter president to state president. I currently serve on the International World Understanding Committee as the North Central Regional chair. I have attended all International Conventions except one. At this year's convention, I am a chapter delegate and will be attending my first ZOOM CONVENTION!

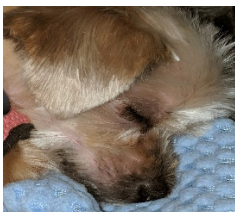

Connect: Mary Ey did a Great Power Point at the Southern District Meeting. Your President should have a copy of it.

Please keep sending minutes of your meetings (with Chapter name on top) and if meeting in person I could visit – Thanks

If anyone wants to tell us about your Chapter, a Sister, or a Program I would love to include it. Thanks again,

Becky Ayers and Daisy
